General notes on this form

Please fill out this form completely and legibly. The required information on the "person of the declarant" can be found in your registration confirmation, which will be sent to you after your registration has been completed correctly.

Assignment to a registration

This form can only be considered if it can be clearly assigned to an application. If an assignment is not possible due to missing or incorrect registration or incomplete or illegible information on this form, the voting right cannot be exercised by postal vote, the proxy appointed by the Company or an authorized representative.

For postal voting and the granting of powers of attorney, you can also use the forms printed on the registration confirmation. The confirmation of registration will be sent to you after proper registration. If you use the forms printed there, the assignment to the registration is ensured.

Relationship to other forms

The forms are not mandatory. You can also use another declaration in text form. Here, too, it must be ensured that the postal vote or the power of attorney can be clearly assigned to an application. Please therefore always quote the [registration confirmation number](#) printed on the registration confirmation.

Procedure for voting by proxy

You can exercise your voting rights yourself by postal vote or authorize a third party to vote on your behalf.

If you wish to authorize a third party by post or by fax or Email, you can use the above form to grant power of attorney to a third party or the form for granting a power of attorney to a third party on the upper third of the registration confirmation (backside).

If you wish to authorize a third party via the access-protected InvestorPortal, please log on to the InvestorPortal under <https://www.koenig-bauer.com/de/investor-relations/hauptversammlung/> in the Investors - Annual General Meeting section.

The corresponding personal access data for the InvestorPortal can be found in the registration confirmation sent to you after proper registration. You must then provide your proxy with your access data for the InvestorPortal independently and in a timely manner.

Please expressly point out to your proxy that he or she can only exercise the voting right by way of postal vote or by granting a sub-authorization, in particular to the proxy appointed by the Company. Please also point out to him/her the above-mentioned procedures and facts.

Please also note the information in the convening notice regarding the issue, amendment and revocation of declarations by post, fax, Email and via the InvestorPortal, as well as the timely exercise of your voting rights.

Postal voting and power of attorney / instructions to the proxies appointed by the Company

If you do not wish to authorize a third party, you can use this form to cast your votes by postal vote or have your voting rights exercised by the proxies appointed by the Company. You can also use the form printed on the registration confirmation for this purpose.

Please cast your postal vote on all proposed resolutions or issue instructions to the proxies appointed by the Company on all proposed resolutions. Please tick the YES box if you agree and the NO box if you disagree. If you wish to abstain from voting, please tick the abstention box. If you do not check any box, this will be considered as an abstention, double marks will be considered invalid. If there are individual votes on combined proposals for resolutions under one agenda item, your vote or instruction applies accordingly to the individual proposals for resolutions.

Counter-motions and election proposals by shareholders to be made accessible can be viewed on the Company's website under <https://www.koenig-bauer.com/de/investor-relations/hauptversammlung/>. You can support a counter-motion that is exclusively directed at rejecting a proposed resolution by voting against the management proposal.

We request that postal votes and power of attorney/instructions to the proxies appointed by the Company, as well as any changes or revocations, be issued electronically via the InvestorPortal by no later than the start of voting or be submitted in writing (by post, fax or e-mail) by **no later than July 13, 2020, 24:00 hours (CEST)** to
